

NEWS RELEASE

Genie® Featured on Popular Science Channel Show *How It's Made*

The Genie Juggernaut Continues!

While Genie hasn't been offered its own weekly reality show (yet), that doesn't mean you have to miss your weekly dose of Genie-TV on the Science Channel!

Here are more episode times for the *How It's Made* airing of Genie opener production. If you already recorded it 9 times, this is your chance to hit double digits!

Be sure to tell your relatives & friends on social media like Facebook and Twitter!

Thursday, July 17 9:00 P.M. ET (8:00 CT) (Prime Time - again- with Genie!)

Friday, July 18 12:00 A.M. ET (11:00 CT) (All Genie – All Day! Start Friday's marathon with a midnight show!)

7:00 A.M. ET (6:00 CT)

10:00 A.M. ET (9:00 CT)
