Installer of the Month – September 2019 – Scott Perry, from Straight Up Garage Doors in Plant City, Florida

The September “Genie Installer of the Month” was nominated by our friends over at Authority Garage Supply. Scott was nominated specifically by Gavin Cagle, Marketing & Sales Director at Authority Garage Supply, because of “his constant support of the Genie brand”. We had the opportunity to speak with Scott of Straight Up Garage Doors to learn more about him!

Scott has been installing Genie garage door openers for 2 years and has worked in the garage door industry for almost ten years. Straight Up Garage doors is not only recognized by The Genie Company for their superior customer service since they also have received Super Service Awards by *Angies List* and is noted as an Elite Service and Top-Rated Dealer by *Home Advisor*.

Scott is not only an installer of Genie products but an owner of Straight Up Garage Doors who likes to spend his off time from the industry with his family, attending church, and investing in the stock market. Scott and his family are also Florida State Football Fans and UNC basketball fans.

In addition to being a top-notch garage door and opener technician and installer, Scott is a proud dad of two boys, ages 5 and 13, and a husband, married for 15 years. Straight Up Garage Doors is a family owned business, and as a company has over 35 years of experience installing and servicing garage doors and openers.

Congratulations Scott, Genie appreciates your dedication!
