

## Using a Genie Garage Door Opener with Control4

Control4 provides a truly intelligent smart home experience that keeps users 'in the know,' informed and in control of the home from virtually anywhere. Control4 integrates the whole home, from comfort and smart lighting to video doorbells and entertainment such as home theatre and multi-room audio. With this integration, Control4 provides a garage door solution from Genie.

The Control4 integration uses drivers that must be installed on the Control4 hardware by a Control4 dealer. To learn more about Control4 visit their website at <https://www.control4.com/>.
