

# Aladdin Connect® Compatibility

## Google Assistant Instructions

- Download the Google Home App and open on your device
- On the bar at the bottom of the screen, press "Updates"
- In the lower right corner of the "Updates" screen, press the icon that looks like a compass
- In the search bar at the top of the screen, type in "Aladdin Connect" and press ENTER
- Tap the Aladdin Connect® icon
- Press "Link" in the upper right corner of the screen
- Enter in your Aladdin Connect® account information to complete the linking process
  - You will be asked to create a PIN number (can be disabled later)
- If you have a Google Home speaker, click on "Send to Device" and select the speaker you want to use
- Your Aladdin Connect® account has been successfully set up
- If you wish to disable your PIN using voice commands:
  - "Hey Google: Tell Aladdin Connect® to disable my PIN"
    - By disabling your PIN, you are deactivating a feature meant to provide an additional level of security.
  - Follow prompts:
    - "Please say your PIN to proceed" - Say your PIN
      - PIN has been disabled
- Find the voice commands listing below.
